

# I Say A Little Prayer - 1/1

**Interprété par Karine Costa.**

The moment I wake up,  
Before I put on my make-up  
I say a little prayer for you  
While combing my hair now  
And wond'ring what dress to wear now

I say a little prayer for you  
Forever and ever, you'd stay in my heart and I love you  
Forever and ever we never will part how I love you  
Together together that's how it should be without you  
Would only mean heartbreak for me

I run for the bus dear,  
While riding I think of us dear  
I say a little prayer for you

At work I just take time  
And all through my coffee break time  
I say a little prayer for you

Forever and ever, you'd stay in my heart and I love you  
Forever and ever we never will part how I love you  
Together together that's how it should be without you  
Would only mean heartbreak for me (x2)

My darling believe me,  
For me there's no one but you  
Please love me too  
I'm in love with you  
Answer my prayer  
Say you love me too

Forever and ever, you'd stay in my heart and I love you  
Forever and ever we never will part how I love you  
Together together that's how it should be without you  
Would only mean heartbreak for me (x3)
