

Save me - 1/1

Interprété par Queen.

It started off so well
They said we made a perfect pair
I clothed myself in your glory and your love
How I loved you,
How I cried
These years of care and loyalty
Were nothing but a shame, it seems
The years belie we lived a lie
"I love you 'till I die"

Save Save Save me
I can't face this life alone
Save Save Save me
I'm naked and I'm far from home

The slate will soon be clear
I'll erase the memories
To start again with somebody new
Was it all wasted
All that love?.....
I hang my head and I advertised
A soul for sale or rent
I have no heart, I'm cold inside
I have no real intent

Save Save Save me
I can't face this life alone
Save Save Oh...
I'm naked and I'm far from home

Each night I cry, I still believe the lie
I'll love you 'till I die
