

How Deep Is Your Love (saturday Night Fever) - 1/1

Interprété par Bee Gees.

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me on a summer breeze
Keep me warm in your love, then you softly leave
And it's me you need to show

How deep is your love, how deep is your love
I really mean to learn
'Cause we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me

I believe in you
You know the door to my very soul
You're the light in my deepest, darkest hour
You're my savior when I fall
And you may not think that I care for you
When you know down inside that I really do
And it's me you need to show

How deep is your love, how deep is your love
I really mean to learn
'Cause we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me
