

## Fate Stay With Me - 1/2

Interprété par Alanis Morissette.

What did you think I'd be doing now  
While you left me, I was thinking aloud  
Would there be no end to my sorrow  
Will I make it through tomorrow

Let the autumn leaves fall  
The chilly raindrops freeze  
The white snow melts  
I'll just sail on those seas  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free

That wouldn't be any fun  
I'd rather be lying on the sun  
Together alone with you  
Beneath the sky of blue

Let the autumn leaves fall  
The chilly raindrops freeze  
The white snow melts  
I'll just sail on those seas  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free

Tell me! Tell me!  
Will my light be blown out crying  
Baby! Baby!  
I feel as though I'm dying

Fate, Fate, Fate

Let the autumn leaves fall  
The chilly raindrops freeze  
The white snow melts  
I'll just sail on those seas  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free

Let the autumn leaves fall  
The chilly raindrops freeze  
The white snow melts

## Fate Stay With Me - 2/2

I'll just sail on those seas  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free  
Fate, fate, fate stay with me  
I wanna be, wanna be, wanna be free...
