No life - 1/2

Interprété par Slipknot.

My freedom is best
 Whole country's on house arrest
 And everyone's a suspect
 You can't fell the flow because you died
 Face down on a "suicide"
 The muthafucker's on self-destruct
 Nobody guarding your back, it's all a front
 SAVE THIS! MY RAGE IS BLISS!
 I'M TAKING NAMES AND GETTING PISSED!
 Where's Chuck D when ya need him?
 You ain't shit, just a puddle on the
 Bed spread
 The maniac psycho
 Cool j screamed the shit
 But I still can't beleive it
 Man, it's funny that you scare me so
 Just enough to fuck me up again and again
 Hard life is hard as hell
 Better back the fuck on up
 Cuz this is...
 No kind of life! This is no kind of life!
 (I've got to get out!)
 It's no king of life! This is no kind of life!
 (You can't blame me!)
 Can't be real no more - Your mask is skin and bone
 Savor every flavor you wan't cuz it's not your own
 Bad-ass at bat, man
 Forget about the battle, it's the war we gotta win
 Breathe! Amer-cult, Breathe! One More - Seethe!
 Freak like you gotta pair
 Won't be my fault
 When you're painted in the corner of a no-good life
 This is...
 No kind of life! This is no kind of life!
 (I've got to get out!)
 It's no kind of life! This is no kind of life!
 (You can't blame me!)
 I can't remember, you don't understand,
 Is it malice that makes you this way?
 Carry it with you 'til someone forgives you
 I laugh cuz there's nothing to say
 YOU CAN'T BEGIN TO CONSIDER THE
 PALPABLE HATE IN THE AIR WHEN YOU'RE HERE
 None of us wonder what weather you're under
 You're making it perfectly clear!
 Lights ain't on - shit ain't right
 Never had peace so I had to fight

Can you look in my eyes when my back's against
The wall, slash at my eyes, surprise, you'll never get me
You're all reality and sound bites
And the freedom is never in plain sight
The feelings, the question, the price is too
Human, for fucking sake - This is...
No kind of life! This is no kind of life!
(I've got to get out!)
It's no kind of life! This is no kind of life!
(You can't blame me!)
