

## Tattered and Torn - 1/1

**Interprété par Slipknot.**

Kill me  
Tattered and torn  
Something aches  
Tattered and torn  
Bad things slither  
Tattered and torn  
My floors are burning down  
Tattered and torn  
And I can't find a window  
Tattered and torn  
This is medieval  
Tattered and torn  
This is cerebral  
Tattered and torn  
Suffocated  
Tattered and torn  
Melodramatic  
Tattered and torn  
Driven to the verge of  
Tattered and torn  
I make you my enemy  
The nerves you sever  
Tattered and torn  
Can serve you better  
Tattered and torn  
In the blink of an eye  
Tattered and torn  
In the space of a second  
Tattered and torn  
Open my wrists  
Tattered and torn  
Give me my lessons  
Tearing myself apart  
From the things that make me hurt!
