Interprété par Afroman.

Whoa! Good morning ladies.
You like that shit man?
I got a gang of that shit man.
'll tell you what
My man on the guitar
Dude on the drums
Everyody gather 'round the mic
'll tell ya all these muthafuckas
First I'mma start it off like this
Help me sing it homeboy!
C'mon!

Colt 45 and two zig-zags
Baby that's all we need
We can go to the park after dark
Smoke that tumbleweed
As the marijuana burn
We can take our turn
Singin' them dirty rap songs
Stop and hit the bong like Cheech and Chong
And sell tapes from here to hong kong
I said roll, roll, roll my joint
Pick out the seeds and stems,
Feelin' high as hell
Flyin' through palm dale
Skatin' on dayton wheels
So roll, roll, the '83
Cadillac coupe de ville
If my tapes and cd's just don't sell
I bet my cabby will

Well it was just sun down
In a small white town
And they call it east side palm down
When the afroman walked through the white land
Houses went up for sale
Well i was standin' on the corner sellin' rap CD's
When i met a lil' girl named Jan
I let her ride in my caddy
'Cause i didn't know her daddy
Was the leader of the ku-klux-klan
We fucked on the bed
Fucked on the floor
Fucked so long
I grew a fuckin' afro
Then i fuled to the left
Fucked to the right

Colt 45 - 2/4

She sucked my dick
Til the shit turned white
I thought to myself
"Sheeba, sheeba!"
Got my ass lookin' like a zebra
I put on my clothes
And i was on my way
Till her daddy pulled up in a chevorlet
So i ran, jumped out the back window
But her daddy he was waitin' with a 2 by 4
Oh he beat me to the left
Beat me to the right
The muthfucka whooped my ass all night
But i ain't mad
At her prejudice dad
That's the best damn pussy i eva had
I got a bag of weed
And a bottle of wine
I'mma fuck that bitth
Just one more time

Colt 45 and two zig-zags
Baby that's all we need
We can go to the door at the dogs
Smoke that tumbleweed
As the marijuana burn
We can take our turn
Singin' them dirty rap songs
Stop and hit the bong like Cheech and Chong
I said it takes form him to hong kong
I said roll, roll, roll my joint
Pick out the seeds and stems
Feelin' high as hell
Flyin' through palm bell
Skatin' on dragon wheels
So roll, roll, roll the '83
Cadillac coupe de ville
If my tapes and cd's just don't sell
I bet my cabby will
