My Everything - 1/2

Interprété par 98 Degrees.

The lonliness of nights alone
 The search for strength to carry on
 My every hope had seemed to die
 My eyes had no more tears to cry
 Then like the sun shining from up above
 You surrounded me with your endless love
 And all things I couldn't see are now so clear to me

 You are my everything
 Nothing your love won't bring
 My life is yours alone
 The only love I've ever known
 Your spirit pulls me through
 When nothing else will do
 Every night I pray
 On bended knee
 That you will always be
 My everything

 Now all my hopes and all my dreams
 Are suddenly reality
 You've opened up my heart to feel
 A kind of love that's truly real
 A guiding light that'll never fade
 There's not a thing in life that I would ever trade
 For the love you give and wont let go
 I hope you'll always know

 You are my everything
 Nothing your love won't bring
 My life is yours alone
 The only love I've ever known
 Your spirit pulls me through
 When nothing else will do
 Every night I pray
 On bended knee
 That you will always be
 My everything

 You're the breath of life in me
 The only one that sets me free
 And you have made my soul complete
 For all time (for all time)

 You are my everything (you are my everything)
 Nothing your love won't bring (nothing your love won't bring)
 My life is yours alone (alone)

My Everything - 2/2

The only love I've ever known (oh no, no)
Your spirit pulls me through (your spirit pulls me through)
When nothing else will do (when nothing else will do)
Every night I pray (oh, I pray)
On bended knee (on my knee)
That you will always be
Be my everything

You are my everything
Nothing your love won't bring
My life is yours alone
The only love I've ever known
Your spirit pulls me through
When nothing else will do
Every night I pray
On bended knee
That you will always be
My everything

Every night I pray
Down on bended knee
That you will always be
My everything
Oh my everything
