

Duck And Run - 1/2

Interprété par Three Doors Down.

To this world I'm unimportant Just because I have nothing to give So you call this your free country Tell me why it cost so much to live Tell me why This world can turn me down But I won't turn away, oh no I won't turn around All my work and endless measures Never seem to get me very far Walk a mile just to move an inch Now even though I'm trying so damn hard I'm trying so hard This world can turn me down but I Won't turn away And I won't duck and run, cause I'm not built that way When everything is gone there is Nothing there to fear This world cannot bring me down No cause I'm already here, oh no! I am already here, Down on my knees I am already here, on no, I am Already here I must have told you a thousand times, I am not running away I won't duck and run I won't duck and run I won't duck and run No pass away This world can turn me down but I Won't turn away And I won't duck and run, cause I'm not built that way When everything is gone There is nothing there to fear This world cannot bring me down No cause I'm already here This world can turn me down But I won't turn away And I won't duck away Cause I'm not built that way When everything is gone there Is nothing there to fear

This world cannot bring me down
