

## Crystal - 1/1

**Interprété par New Order.**

We're like crystal, we break easy  
I'm a poor man, if you leave me  
I'm applauded, then forgotten  
It was summer, now it's autumn

I don't know what to say, you don't care anyway  
I'm a man in a rage (just tell me what I've got to do), with a girl I betrayed  
Here comes love, it's like honey  
You can't buy it with money, you're not alone anymore, (whenever you're here with me),  
You shock me to the core, you shock me to the core

We're like crystal, it's not easy  
With your love, you could feed me  
Every man, and every woman  
Needs someone, So keep it coming  
Keep it coming, keep it coming, keep it coming  
Keep it coming, keep it coming, keep it coming  
Keep it coming

I don't know what to say, you don't care anyway  
I'm a man in a rage (just tell me what I've got to do), with a girl I betrayed  
Here comes love, it's like honey  
You can't buy it with money, you're not alone anymore, (whenever you're here with me),  
You shock me to the core, you shock me to the core

Keep it coming, keep it coming, keep it coming  
Keep it coming, keep it coming, keep it coming  
Keep it coming, keep it coming, keep it coming
