

Goodbye To You - 1/1

Interprété par Michelle Branch.

of all the things i believe in
i just want to get it over with
tears from behind my eyes
but i do not cry
counting the days that past me by

i've been seaching deep down in my soul
words that i'm hearing are staring to get old
feels that i'm starting all over again
the last three years were just pretend and i say

goobye to you
goodbye to everything i thought i knew
you were the one i love
the one thing that i tried to hold on to

i still get lost in your eyes
and it seems like i can't live a day without you closing my eyes till you chase my thought away
to a place where i am blinded by the light but it's not right

goodbye to you
goodbye to everything i thought i knew
you were the one i loved
the one thing that i tried to hold on to
ohhh
it hurts to want everything & nothing at the same time
i want whats yours and i want whats mine
i want you but i'm not giving in this time

goodbye to you
goodbye to everything i thought i knew
you were the one i loved
the one thing that i tried to hold on to
goodbye to you
goodbye to everything i thought i knew
you were the one i loved
the one thing that i tried to hold on to

we the stars fall and i lie awake
your my shooting star
