

## Could It Be Any Harder - 1/1

Interprété par The Calling.

You left me with goodbye and open arms  
A cut so deep I don't deserve  
You were always invincible in my eyes  
The only thing against us now is time

Chorus

Could it be any harder to say goodbye and without you  
Could it be any harder to watch you go , to face what's true  
If I only had one more day

I lie down and blind myself with laughter  
A quick fix of hope is what I'm needing  
And how I wish that I could turn back the hours  
But I know I just don't have the power

Chorus

Could it be any harder to say goodbye and without you  
Could it be any harder to watch you go , to face what's true  
If I only had one more day

I'd jump at the chance ,  
We'd drink and we dance  
And i'd listen close to your every word,  
As if it your last , I know it's your last,  
Cause today,oh, you're gone.

Chorus

Could it be any harder to say goodbye and without you  
Could it be any harder to watch you go to face what's true  
If I only had one more day

Like sand on my feet,  
The smel of sweet perfume  
You stick to me forever  
And I wish you didn't go,  
I wish you didn't go , I wish you didn't go away  
To touch you again  
With life in your hands  
It could it be any harder..harder..harder.
