

## We Are All Made Of Stars - 1/2

## Interprété par Moby.

Growing in numbers Growing in speed Can't fight the future Can't fight what I see

People they come together People they fall apart No one can stop us now 'Cause we are all made of stars

Efforts of lovers
Left in my mind
I sing in the reaches
We'll see what we find

People they come together People they fall apart No one can stop us now 'Cause we are all made of stars

People they come together People they fall apart No one can stop us now 'Cause we are all made of stars

Slow slow slow, come come Someone come come Even love is goin' 'round You can't ignore what is goin' 'round

Slowly rebuilding I feel it in me Growing in numbers Growing in peace

People they come together People they fall apart No one can stop us now 'Cause we are all made of stars

People they come together People they fall apart No one can stop us now 'Cause we are all made of stars

People they come together (People they come together)
