

## Diva - 1/1

**Interprété par Dana International.**

She is all you ever dreamed to find  
On her stage she sings her story  
Pain and hurt will steal her heart's alight  
Like a queen in all her glory

And when she cries, Diva is an angel  
Whe, she loves, She's a devil  
She is all beauty and love

Chorus:  
Diva Nari'a  
Diva Victoria  
Aphrodita  
Viva la Diva  
Viva Victoria  
Cleopatra

Silent tears drop from these eyes tonight  
Tears of friends for all those aching heart

And when she cries, Diva is an angel  
When she loves, she's a devil  
She is all beauty and love

Chorus

Hey... ha... ha... ha... ha... ha...  
Ha... ha... ha...

Diva! Diva! Diva!

Chorus (x2)
