

Pure Massacre - 1/1

Interprété par Silverchair.

People dying for no reason at all,
Age is no difference or if you're large or small.

Families being torn apart.
Doesn't have to be this way.
Some people, just have no heart.
It's happening every day.

Pure massacre,
Pure massacre...

Machine guns pumping, hearts thumping,
Death is all around.
People crying for freedom,
No one hears the sound,

[Chorus]

There's people crying.
There's people dying.
But someone's taken it all, yeah.

[Repeat Last Verse]

[Chorus]

It's gonna be a pure massacre.
Yeah!
