I Could Die For You - 1/2

Interprété par Red Hot Chili Peppers.

Something inside the cards I know is right Don't want to live Somebody elses life This is what I want to be And this is what I give to you Because I get it free She smiles while I do my time

I could die for you Oh this life I choose

I'm here to be your only go-between To tell you of the sights These eyes have seen What I really want to do is Turn it into motion Beauty that I can't abuse You know that I'd use my senses to You can see that It's only everywhere I'd take it all and then I'd find a way to share

Come along and go Along with me Wander with me yo It's all for free

I could die for you Whatchu wanna do Oh this life I choose (x2)

Come again and tell me Where you want to go What it means for me To be with you alone Close the door and No one has to know How we are

Come along and go Along with me Wander with me yo It's all for free

I could die for you

I Could Die For You - 2/2

Whatchu want to do Oh this life I choose
