

Supersonic - 1/1

Interprété par Oasis.

I need to be myself
I can't be no one else
I'm feeling supersonic
Give me gin and tonic
You can have it al but how much do you want it?
You make me laugh
Give me your autograph
Can I ride with you in your B.M.W.
You can sell with me in my yellow submarine

You need to find out
'Cos no one's gonna tell you what I'm on about
You need to find a way for what you want to say
But before tommorow

'Cos my friend say he'd take you home
He sits in a corner all alone
He lives under a waterfall
Nobody can see him
Nobody can ever hear him call

You need to be yourself
You can be someone else
I know a girl called Elsa
She's into Alka Seltzer
She sniffs in through a cane on a supersonic train
She makes me laugh
I got her autograph
She done it with a doctoron a helicopter
She's sniffin' in in her tissue
Sellin' the big issue

She needs to find out
'Cos no one's gonna tell you what I'm on about
She needs to find a way for what she wants to say
But before tommorow

'Cos my friend say he'd take you home
His sits in a corner all alone
He lives under a waterfall
Nobody can see him
Nobody can ever hear him call
