

What's A Man Without A Woman - 1/1

Interprété par Vaya Con Dios.

What's a woman when a man
Don't stand by her side?
What's a woman when a man Has secret to hide?

She'll be weak,she'll be strong
Struggle hard,for so long

What's a woman when a man
[What's a woman when a man]
Don't go by the rule?
What's a woman when a men
[What's a woman when a man]
Makes her feel like a fool?

When it right,turns to wrong
She will try, to hold on
To the ghost of the past
When love was to last
Dreams from the past
Faded so fast

All alone inthe dark
She will swear
He'll never mislead her again

All those dreams from the past
Faded so past,ghosts of the past
When love was to last

All alone,in the dark
She will swear cross her heart
Never again
Cross my heat
Never again
