

## Kiss Kiss - 1/2

Interprété par Holly Valance.

When you look at me  
Tell me what do you see  
This is what you get  
It's the way I am  
When I look at you  
I wanna be, I wanna be  
Close to heaven  
With Neanderthal man

Don't go, I know  
You wanna touch me  
Here, there  
And everywhere  
Sparks fly when  
We are together  
You can't deny the  
Facts of life

You don't have to act like a star  
Trying moves in the back of your car  
Don't you know that we can go far  
'Cos tonight you're gonna get my X X  
Don't play the games that you play  
'Cos you know that I won't run away  
So why ain't ya askin' me to stay  
'Cos tonight I'm gonna give you my X X

You could be mine baby  
What's your star sign  
Won't you take a step  
Into the lion's den  
I can hear my conscience  
Callin' me callin' me  
Say I'm gonna be  
A bad girl again  
Why don't you come over  
We can't leave this all undone  
Got the devil on my shoulder  
There's no place  
For you to run

You don't have to act like a star  
Trying moves in the back of your car  
Don't you know that we can go far  
'Cos tonight you're gonna get my X X  
Don't play the games that you play  
'Cos you know that I won't run away

## Kiss Kiss - 2/2

So why ain't ya askin' me to stay  
'Cos tonight I'm gonna give you my X X

If you forget I'll remind you  
If you're paranoid I'm behind you  
If you lose your head I'll find you  
Sending you my kiss  
Forget I'll remind you  
If you're paranoid I'm behind you  
If you lose your head I'll find you  
Kiss kiss

You don't have to act like a star  
Trying moves in the back of your car  
Don't you know that we can go far  
'Cos tonight you're gonna get my X X  
Don't play the games that you play  
'Cos you know that I won't run away  
So why ain't ya askin' me to stay  
'Cos tonight I'm gonna give you my X X
