

## Bug A Boo - 1/1

**Interprété par Destiny's Child.**

Thou should not bug

- Chorus -

You make wanna throw my pager out the window  
Tell MCI to cut the phone poles  
Break my lease so I can move  
Cuz your a bug-a-boo a bug-a-boo  
I wanna put your number on the call block  
Have AOL make my email stop  
Cuz your a bug a boo  
Your bugging what ya bugging who  
Ya bugging me and dont you see it aint cool

It's not hot that you be callin me stressin me pagin my beeper you juss nonstop  
And it's not hot that you be leavin me messages every ten minutes and then you stop by  
When I first met you you were cool  
But it was game you had me fooled  
Cuz 20 minutes after I gave you my number you already had my mailbox full

- Hook -

So what you bought a pair of shoes  
What now I guess you think I owe you  
You dont have to call as much as you do  
I'd give them back to be through with you  
And so what my momma liked you  
What now I guess you think I will too  
Even if the pope said he liked you too  
I dont really care cuz your a bug-a-boo

- Chorus -

It's not hot that when I'm blockin your phone number you call me over your best friend's house  
And it's not hot that I cant even go out with my girlfriends without you trackin me down  
You need to chill out with that mess  
Cuz you cant keep havin me stressed  
Cuz everytime my phone rings it seems to be you and I'm prayin that it is someone else

- Hook - Chorus -

When you call me on the phone your buggin me  
When you follow me around your buggin me  
Everything you do be bugging me your buggin me your buggin me  
When you show up at my door your buggin me  
When you open up your mouth your bugging  
Everytime I see your face your buggin me your buggin me your buggin me

- Chorus -
