

## Don't Forget Me - 1/2

Interprété par Red Hot Chili Peppers.

I'm an ocean in your bedroom  
Make you feel warm  
Make you want to re-assume  
Now we know it all for sure

I'm a dancehall dirty breakbeat  
Make the snow fall  
Up from underneath your feet  
Not alone, I'll be there  
Tell me when you want to go

I'm a meth lab first rehab  
Take it all off  
And step inside the running cab  
There's a love that knows the way

I'm a rainbow in your jail cell  
All the memories of  
Everything you've ever smelled  
Not alone, I'll be there  
Tell me when you want to go

Sideways falling  
More will be revealed my friend  
Don't forget me I can't hide it  
Come again get reignited

I'm an inbred and a pothead  
Two legs that you spread  
Inside the tool shed  
Now we know it all for sure

I could show you  
To the free field  
Overcome and more  
Will always be revealed  
Not alone, I'll be there  
Tell me when you want to go

Chorus

I'm the bloodstain  
On your shirt sleeve  
Coming down and more are coming to believe  
Now we know it all for sure

Make the hair stand

## Don't Forget Me - 2/2

Up on your arm  
Teach you how to dance  
Inside the funny farm  
Not alone, I'll be there  
Tell me when you want to go
