

## Brown Eyes - 1/2

**Interprété par Destiny's Child.**

remember the first day when I saw your face  
remember the first day when you smiled at me  
you stepped to me and you said to me  
I was the woman you dreamed about

remember the first day when you called my house  
remember the first day when you took me out  
we had butterflies although we tried to hide  
and we both had a beautiful night

the way we held each others hand  
the way we talked, the way we laughed  
it felt so good to find true love  
I knew right then and there you were the one

refrain : I know that he loves me cause he told me so  
I know that he loves me cause his feelings show  
when he stares at me you know that he cares for me  
you see how he is so deep in love  
I know that he loves me cause its obvious  
I know that he loves me cause it's me he trusts  
and he's missing me if he's not kissing me  
and when he looks at me his brown eyes tells his soul

remember the first day, the first day we kissed  
remember the first day we are an argument  
we apologized and then we compromised  
and we haven't argued since

remember the first day we stopped playing games  
remember the first day you fell in love with me  
it felt so good for you to say those words  
cause I felt the same way too

then way we held each others hand  
the way the way we talked, the way we laughed  
it felt so good to fall in love  
and I knew right then and there you were the one

refrain

I'm so happy  
so happy that you're in my life  
and baby  
now that you're a part of me  
you showed me  
showed me the meaning of true love
