

## If It's Alright - 1/1

**Interprété par Billy Crawford.**

Look at you girl  
Lookin' like the shorty I was with last night  
in my dream  
Now it seems like it's a really gonna be,  
now that you're dancing with me  
When you move, I'll be up on it  
Cause you now I'm feelin' like, yo  
I can see it in your eyes  
Gotcha thighs on my thighs  
And my hands on ya hips  
Girl I want to see you bounce

Bounce  
I see you checkin' me out  
Maybe I can take you to my house, to the  
bedroom... then I'll see you come around  
What's it gonna be, baby girl are you leaving  
with me

Cause I can do  
The things you like  
So girl c'mon and spend the night  
If it's alright girl, I'll hit it right  
Tonight's ya night  
If it's alright... if it's alright

Shakin' em down  
You really make me wanna go downtown... me-ow  
In my dream everything I did  
Made you give me every bit of your time  
Time I let you know cause yo... I'm feelin' like what  
You and me... meant to be... destiny  
My fantasy's gonna be reality
