

## Thriller - 1/2

**Interprété par Michaël Jackson.**

It's close to midnight and something evil's lurking in the dark  
Under the moonlight you see a sight that almost stops your heart  
You try to scream but terror takes the sound before you make it  
You start to freeze as horror looks you right between the eyes,  
You're paralyzed

'Cause this is thriller, thriller night  
And no one's gonna save you from the beast about to strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer, thriller tonight

You hear the door slam and realize there's nowhere left to run  
You feel the cold hand and wonder if you'll ever see the sun  
You close your eyes and hope that this is just imagination  
But all the while you hear the creature creepin' up behind  
You're out of time

'Cause this is thriller, thriller night  
There ain't no second chance against the thing with forty eyes  
You know it's thriller, thriller night  
You're fighting to survive inside a killer, thriller tonight

Night creatures call o  
And the dead start to walk in their masquerade  
There no escapin the jaws of the aliens this time  
(they're open wide)  
This is the end of your life

They're out to get you, there's demons closing in on every side  
They will possess you unless you change the number on your dial  
Now it's the time for you and I to cuddle close together  
All thru the night I'll save you're from the terror of the screen,  
I'll make you see

That it's a thriller, thriller night  
'Cause I can thrille you more than any ghost would dare to try  
Girl, this is thriller, thriller night  
So let me hold you tight and share a killer, diller, chiller  
Thriller here tonight

Darkness falls across the land  
The midnight hour is closer at hand  
Creatures crawl in search of blood  
To terroize y'awl's neighbourhood  
And whoseoever shall be found  
Without the soull ffor getting down  
Must stand and face the hounds of hell

## Thriller - 2/2

And rot inside a corrrpse's shell  
The foulest sttench is in the air  
The funky of forty thousand years  
And grizzly ghoulss from every tomb  
Are closing in to seal your doom  
And through you fight to stay alive  
Your body start to shiver  
For no mere mortal can resist  
The evil of the thriller  
Can you dig it ?!!!
