

Mama Call - 1/1

Interprété par Manu Chao.

Tonight tonight it's a long long night
Can't you hear me mama call
Can't you hear me crawling
Can't you hear me mama call
Can't you hear me trying
Can't you hear me when I call
I'm a long way from sight

Tonight tonight it's a long long night
Can't you see me baby fly
Can't you see me falling
Can't you hear me when I call
Can't you see me fall
Can't you hear me mama call
Can't you hear me mama call

Can't you hear me mama call
Can't you hear me crawling
Can't you hear me when I call
Can't you see me fall
Can't you hear me mama call
Can't you hear me mama call
Can't you hear me mama call

Me hielo en la habitacion
No tengo calefaccion
Can't get no satisfaction
So me bajo pa la calle

It's a long long night
