

One Sweet Day - 1/1

Interprété par Mariah Carey.

Sorry I never told you
All I wanted to say
And now it's too late to hold you
Cause you've flown away
So far away

Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive
Alive

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

Darling, I never showed you
Assumed you'd always be there
I took your presence for granted
But I always cared
And I miss the love we shared

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

Although the sun will never shine the same
I'll always look to a brighter day
Lord I know when I lay me down to sleep
You will always listen as I pray

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

Sorry I never told you
All I wanted to say
