

## Are you where you wanted to be ? - 1/3

Interprété par Darren Hayes.

Hey there stranger  
Do you remember ?  
You were a part of my life

Early December  
Think I remember ?  
Sentiment cuts like a knife

The seasons are changing  
Life's rearranging  
Full of good times  
Would a have beens  
It's all your fault  
And where've you been  
And how times goes  
And though I don't even know  
How to fill in the spaces  
And the love you've erased in my life

Are you where you wanted to be ?  
Did you get there easily ?  
Did I make you sacrifice ?  
Did you make a sharp left  
When you should have turned right ?

Are you where you wanted to be ?  
Did you sell off all of your gold  
Did you trade it in ?  
Did you wait for love  
Or settle for somebody to hold ?

And barely symphonic  
But strangely ironic  
Moments contained in one glance

Oh how I adored you  
But now I'm ignored by you.  
Nowhere a tint of romance

And now it's vaguely familiar  
I think I remember sharing every single intimacy  
It doesn't seem so strange to me that we barely entertained  
Even the politest of phrases  
But sometimes at night  
I conjure you up in my mind.

Are you where you wanted to be ?

## Are you where you wanted to be ? - 2/3

Did you get there easily ?  
Did I make you sacrifice ?  
Did you make a sharp left  
When you should have turned right ?

Are you where you wanted to be ?  
Did you sell off all of your gold  
Did you trade it in ?  
Did you wait for love  
Or settle for somebody to hold.

While I was busy  
Perfecting the art  
Of deflecting compliments  
I took it too far  
And I let her rip one right through my heart  
Of battle stations we're building  
You and I just grew apart  
We grew apart

While I decided  
To make everyone else happy  
I just put aside  
My foolish pride  
I guess I denied  
My own desire  
I was too busy pleasing  
Every please  
I forgot how to breathe  
Or question anything

Or ask why ?  
Am I ?

Am I where I wanted to be ?  
Did I get here easily ?  
Did I make a sacrifice ?  
Did I take a sharp left  
When I should have turned right ?

Am I where I wanted to be ?  
Can I sell off all of my gold ?  
Can I trade it in ?  
Will I wait for love  
Or settle for somebody to hold.

I'd settle for somebody to hold now

You know that I've been up and I've been down

## **Are you where you wanted to be ? - 3/3**

I've been picked up and spun around  
I'd do it all again  
If I could just have somebody to hold now  
I just need somebody to hold me now  
Could somebody hold me now ?  
I just want somebody to hold me now  
I'd do it all again
