

## You will be mine - 1/2

**Interprété par Faith Hill.**

Heads I win, Tails you lose

I always play by my own rules

And I don't believe in wasting time

So long before we end this night

Chorus

I will have held you

I will have kissed you

I will have claimed you

You will be mine

I will have loved you

Wrong or right

I will have your heart

You will be mine

An unwritten law says a girl should wait

Should let the man set his own place

But a woman in love, she's above the law

So long before this night is gone

Repeat Chorus

You top my list of things to do

And I will get close to you

## You will be mine - 2/2

Before this night is through
