

There Will Come A Day - 1/3

Interprété par Faith Hill.

It's not easy

Trying to understand

How the world can be so cold

Stealing the souls of man

Cloudy skies rain down

On all your dreams

You wrestle with the fear and doubt

Sometimes it's hard, but you gotta believe

There's a better place

Where our Father waits

And every tear

He'll wipe away

The darkness will be gone

The weak shall be strong

Hold on to your faith

There will come a day

There will come a day

Wars are raging

Lives are scattered

Innocence is lost

And hopes are shattered

The old are forgotten

The children are forsaken

In this world we're living in

There Will Come A Day - 2/3

Isn't anything sacred
There's a better place
Where our Father waits
And every tear
He'll wipe away
The darkness will be gone
The weak shall be strong
Hold on to your faith
There will come a day
There will come a day
Song will ring out
Down those golden streets
The voices of earth
The angels will sing
Every knee will bow
Sin will have no trace
In the glory of His amazing grace
Every knee will bow
Sin will have no trace
In the glory of His amazing grace
There will come a day
There will come a day
Oh, there will come a day
There will come a day

There Will Come A Day - 3/3

I know there's coming a day

Coming a day
