

## That's How Love Moves - 1/3

**Interprété par Faith Hill.**

It's such a mystery

How you found something in me

That I never knew was there

But you uncovered it so easily

You turn me like the season

And I began to change

You wrapped your arms around me

Now I'll never be the same

That's how love works

That's how love moves

Like a river running through you

Sometimes it lifts you high as Heaven

It consumes you

That's a given

That's how love moves

I've seen walls that could never be broken

Come tumbling down

I've heard the voice of love calling

Without making a sound

See I was touched by an angel

The day you took my hand

You know that you're the miracle

That makes me everything I am

That's how love works

## That's How Love Moves - 2/3

That's how love moves

Like a river running through you

Sometimes it lifts you

As high as Heaven

It consumes you

That's a given

That's how love moves

Sometimes it's a whisper

Sometimes it's a storm

Sometimes it reaches forever

With its everlasting arm

That's how love works

That's how love moves

Like a river running through you

Sometimes it lifts you

As high as Heaven

It consumes you

That's how love works

That's how love moves

Like a river running through you

Sometimes it lifts you

As high as Heaven

It consumes you

Oh, that's a given

## That's How Love Moves - 3/3
