## It Will Be Me - 1/2

### Interprété par Faith Hill.

When you start falling

- Who's gonna catch ya
- I'm willing to bet ya

#### It will be me

- Who's gonna love ya
- Like there's no other
- Search and discover
- It will be me

#### When all the others

Have gone and hurt you

- Who won't desert you
- It will be me
- Weighing the options
- So much to think of
- But when you think love
- It will be me

You may not see it now

Love is strange that way

Someday somewhere baby somehow

When you've been broken

And dreams don't oblige ya

# It Will Be Me - 2/2

Who's that beside ya

Oh, it will be me

You may not see it now

Love is strange that way

Someday somewhere baby somehow

Who'll be your only

True romancer

You know the answer

It will be me

What will it take to

Bring you to your senses

And finally convince you

It will be me
