

## Let me let go - 1/2

**Interprété par Faith Hill.**

I thought it was over, baby

We said our goodbyes

But I can't go a day without your face

Goin' through my mind

In fact, not a single minute

Passes without you in it

Your voice, your touch, memories of your love

Are with me all of the time

Let me let go, baby

Le me let go

If this is for the best, why are you still in my heart

Are you still in my soul, let me let go

I talked to you the other day

Looks like you've made your escape

You put us behind, no matter how hard I try

I can't do the same

Let me let go, baby

Let me let go

It just isn't right, I've been thousand miles

Down a dead-end road, let me let go

## Let me let go - 2/2

The lights of this strange city are shinin'

But they don't hold no fascination on me

I tray to find the bright side, baby

But everywhere I look, everywhere I turn, you're all I see

Let me let go, baby

Let me let go

It just isn't right, I've been thousand miles

Down a dead-end road, let me let go

Oh, let me let go, darlin', won't you

I just gotta know

If this is for the best, wha are you still in my heart

You're still in my soul, let me let go

Why don't you let me go

Let me let go
