

# Sympathy - 1/1

**Interprété par David Charvet.**

I can tell you what wanna hear,  
So you don't have to see,  
That I'm hardly breathing,  
I can't hide, any longer  
I am feeling stronger, finally.

Don't wanna hear you say that it's too late,  
To say that you're sorry now,  
I set you free...

Chorus:

Sympathy, I'm not after  
All I need is the love you promised me.  
Can't you see, what I'm after  
If I can't have your heart  
Then I want your sympathy.

Times goes by, so will I  
If you don't close your eyes  
To the way you're seeing me  
I'm alright, still alive  
A little hole inside, oh my heart is healing.

Don't wanna hear you say that it's too late,  
To say that you're now,  
I set you free...

Chorus

But these few words I say to you  
Can only mend my lonely heart  
And you're ready I will fall

Chorus

Can't you see it's your love I'm looking for  
It's your love that I need

She's so damn beautiful...
