

If I don't tell you soon - 1/1

Interprété par David Charvet.

Every time that I'm with you
I get scared, 'cause the emotion feels so strong.
I give my word just to hold you
To be with you would you dare?

It's time to say what I gotta say,
If you go, I know I'm the one to blame

Chorus:

And if I don't tell you soon
How much I really feel inside
I'm sure I'll die
And if I'll don't take this chance
You're never gotta know the truth
If I don't tell you soon

Every night when I'm dreaming,
I can see, all the memories that we've shared
How can you say I don't love you?
It's time I'll show you that I care

It's time to say what I gotta say,
If you go, I know I'm the one to blame

Chorus
