

The wicker man - 1/1

Interprété par Iron Maiden.

Hand of fate is moving and the finger points to you

He knocks you to your feet so what are you gonna ingto do?

Your tongue was frozen now you've got something to say

The piper at the gates of dawn is calling you his way.

You watch the world exploding every single night

Dancing in the sun a newborn in the light

Say goodbye to gravity and say goodbye to death

Hello to eternity and grip for every breath

Your time will come

Your time will come

The ferryman wants his money, you ain't gonna give it back

He can push his own boat as you sail above the track

Nothing you can contemplate will ever be the same

Every second is a new spark, sets the universe aflame

You watch the world exploding every single night

Dancing in the sun a newborn in the light

Brothers and their fathers joining hands and make a chain

The Shadow of the Wicker Man is rising up again

Your time will come

Your time will come
