

Strange world - 1/1

Interprété par Iron Maiden.

The only place
where you can dream,
living here is not what it seems.
Ship of white
light in the sky,
nobody there to reason why.
Here I am, I'm not really there,
smiling faces ever so rare.
A let's walk in deepest space,
living here just isn't the place.

Stalks of light
come from the ground,
when I cry there isn't a sound.
All my feelings
cannot be held,
I'm happy in my new strange world.
Shades of green grasses twine,
girls drinking plasma wine.
A look at love, a dream unfolds,
living here, you'll never grow old.
