

# Shut Up And Dance - 1/1

**Interprété par Rebus.**

Dance , dance and dance...x4

Shut up and dance tonight  
and feel the beat of your life  
Shut up and dance with me  
I'll make you dream alright

If you don't wanna move along  
shut up and turn around  
and don't you stop me now  
I said not stop but if you gonna change your mind  
Shut up and move your feet  
Shut up and clap your hands  
Come on  
shake your body

Body  
your body  
Shake your body...x4

Shut up and dance  
Shut up and dance...x 2
