

You - 1/1

Interprété par Carpenters.

You are the one who makes me happy
When everything else turns to grey.
Yours is the voice that wakes my mornings
Sends me out in to the day.

You are the crowd that sits quiet
Listening to me
And all the mad sense I made
You are one of the few things worth remembering
And since its all true
How could anyone mean more to me than you.

Sorry if sometimes I look passed you.
There's no one beyond your eyes
Inside my head the wheels are turning
Hey, sometimes I'm not so wise

You are my heart and my soul
My inspiration
Just like the old love song goes.
You are one of the few things worth remembering
And since its all true
How could anyone mean more to me than you.
