

Susie Cincinnati - 1/1

Interprété par Beach Boys.

Well Susie Cincinnati Got a groovy little motor car
She lives for the night And her husband's a security guard
Her looks aren't exactly a plus But it doesn't matter to us
Because she knows where it's at and she gets you there in seconds flat

She knows all the honkies And the kids are all home in bed
(Ooo ride Susie Cincinnati)
She'd rather do this Than anything else instead
(Ooo ride Susie Cincinnati)
She got the nicotine fit And before she discovered it
(Ooo ride Susie Cincinnati)
Everybody in the back seat suffocated

Susie Cincinnati we thought you were a winner
But Susie Cincinnati city's number one sinner Yeah
Susie Cincinnati we thought you were a winner Woah
But Susie Cincinnati city's number one sinner
Susie Cincinnati we thought you were a winner
But Susie Cincinnati city's number one sinner Yeah
Susie Cincinnati we thought you were a winner
But Susie Cincinnati city's number one sinner Woah yeah

She'll always pick you up When the others go and leave you down
(To the ride to the ride Susie Cincinnati)
In her little red cab she's scootin' all over town
(To the ride to the ride Susie Cincinnati)
She's gotta mind the meter too
My pocket's got some signs for you (???)
But it's just one look Because she'll give the ride free to you
