

# I'm waiting for the day - 1/1

**Interprété par Beach Boys.**

I came along when he broke your heart  
That's when you needed someone to help forget about him,  
I gave you love with a brand new start  
That's what you needed the most to set your broken heart free,

I know you cried, and you felt blue,  
But when I could I gave strength to you

I'm waiting for the day when you can love again

I kissed your lips when your face looked sad,  
It made me think about him and that you still loved him so  
But you know that pretty soon  
I made you feel glad that you belonged to me  
And love began to show

He hurt you then, but that's all done,  
I guess I'm saying you're the only one  
I'm waiting for the day when you can love again

He hurt you then, but that's all done,  
I guess I'm saying you're the only one  
I'm waiting for the day when you can love again

You didn't think that I could sit around and watch him work  
You didn't think that I could sit around and let watch him take you  
You didn't think that I could sit around and let him go.  
You didn't think that I could sit back and let you go
