

## Standing in th hallway - 1/1

**Interprété par Bangles.**

Standing in the hallway  
Trouble coming my way  
He called me on the telephone  
Guess I'm gonna be alone

Where did our love go, where did it go  
Love is such a puzzle  
In this great big world  
I'm good to you but you're bad to me  
Gotta try to lose, gotta try, gotta lose  
This misery

Tried to do it your way  
You wouldn't meet me halfway there  
You used to say you loved me  
Now you just sit and stare

Where did our love go, where did it go  
Love is such a pain  
In this great big world  
I'm good to you, but you're bad to me  
Gotta try to lose, gotta try, gotta lose  
This misery

If you wanna keep me here  
You better try to make it clear  
'Cause I'm halfway out the door  
I can't take it anymore

Where did our love go, where did it go  
Love is such a gamble  
In this great big world  
I'm good to you, but you're bad to me  
Gotta try to lose, gotta try, gotta lose  
This misery
