

James - 1/1

Interprété par Bangles.

I knew it'd turn out like this
I'm keeping one foot on the train
I must be a masochist
to ever take up with you James
It sounds familiar that tone in your voice
Your gonna quit James you leave me no choice

oh James
lettin' me down again James

Well it wasn't so long ago
I saw love in your eyes
And I think I should have known
but I'm feeling somewhat surprised
You think there's someone better for you
You think I'm too young to see this thing through

(chorus)

I knew it'd turn out like this
I'm keeping one foot out the door
And I don't think I should trust
that kind of love anymore
And now I realize I had it all wrong
I'll only take this shit for so long

oh James
Lettin' me down again
James
Guess it's goodbye again
James
Lettin' me down again
Lettin' me down again
James
