

## I remember you - 1/1

Interprété par Annie Lennox.

Well there's a colour picture  
In my mind  
Of all the places  
That I've left behind  
The broken windows  
Where the wind blows through  
Empty shells of houses  
That have turned to ruin  
Oh, we were so young  
We didn't realize  
Just what we'd done  
Oh, we were too young  
And I remember you  
You were the back yard boy  
Hiding in the wreckage  
Of broken dreams  
Standing by the railway line  
Standing  
Oh, we were so young  
We didn't realize  
Just what we'd done  
Oh, we were too young  
And all the sweetness  
Has been taken out of this place  
So many memories  
Are knocked down or replaced  
And I can't stand to see  
The shifting time  
Taking me further  
Leaving you behind
