The Nelson Highrise Sector 1 (The Elevator) - 1/1

Interprété par Alphaville.

Time is fleeting
 You can't stop time
 Hearts are beating
 Cause there ain't no time
 Dial that number
 Stories fly
 See their faces, empty places
 Uh, elevator
 Time goes by
 Uh, generator
 Love flies by
 Good-bye, good-bye
 Time is hurting
 But it ain't a crime
 Someone's bleeding all the time
 Too much tension in a second
 Just repeat it
 Cause I need it
 Uh, elevator
 Indicator
 Accelerator
 Uh, generator
 Turning on,
 Turning elevator on
