

## The jet set - 1/1

**Interprété par Alphaville.**

This is the time, now gimme that beat  
Feel how the rhythm grips your feet  
Ah Kitty-Baby, take my hand  
She's like a devil heaven-sent  
I'm in her arms and she's in mine  
Maybe we'll make the film on time  
Sitting in the 15th row  
Oh Baby Baby, I love you so

We are the jet-set society, we are the jet-set  
And that means liberty

We're on the run  
We know where to go  
We've got the tickets for the midnight show  
These nights are burning out so fast  
Hop on the beam, you won't be last  
The russians seem to be that way  
We love 'em like we love D. Kaye  
We need no money, we got it free  
We are the high-high-high-high-high  
So-ci-e-ty

We are the jet-set society, we are the jet-set  
And that means liberty

We are the jet-set / hop on the beam  
We are the jet-set / hop on the beam

Shine on society -- shine on liberty  
Shine on luxury -- shine on so-ci-e-ty

Streets are full of love and fear  
This could be the final year  
Enrico's dead but still ok  
We dance the streets, feeling well  
If she's a liar, I'm her lover  
If she's a priestess, I'm her cover  
If she's a lady, I'm her man  
If she's a man, I'll do what I can

We are the jet-set society, we are the jet-set  
And that means liberty

Oooh, I do what I can  
Oooh, Baby, I love you so and we don't care
