

## In the mood - 1/1

**Interprété par Alphaville.**

He's in the mood to touch the fire,  
He's in the mood to touch everything you are  
He's in the mood to touch the fire,  
Touch the fire, touch the fire

Jacky's locked in a silent dream  
He's watching movies on the TV-screen  
He feels unsteady lights a cigarette  
He's getting mellow in his cabinet

Oh, Jacky, when everything goes wrong,  
Get ready, for you've got to be so strong  
It's so supersensual, sentimental  
Dial that cipher in your tears,  
The number to the golden year

You've got to touch the fire,  
Wake up little boy  
You've got to play with fire,  
Wake up, you've got to...  
You've got to play with fire...

Jacky hears it, is it her or not?  
His eyes are burning  
Cause the brain's too hot  
He's sitting calmly on a swivel chair  
There's something coming from the upper stairs

Now listen to me Jacky, you were always  
So lonesome in that quiet lonely house  
High on the hill,  
Just come... come and meet me  
You know where and we'll take a nice holiday  
Back in the old, old days of happiness --

Oh, Jacky, when everything goes wrong...  
Dial that cipher in your tears
