

## Fallen Angel - 1/1

**Interprété par Alphaville.**

I hear those voices on the radio  
I switched it off because she told me so  
She's an investigator  
She's like an elevator  
Nobody told me we'd be all alone  
You know  
Somewhere my friend he'd left me  
In that red light zone  
You know  
She said: I've seen your deepest secrets, son  
They're just as lightning  
In the look of your eyes

I said: I want you, Baby,  
I said: I want some more  
I said: I never ever felt it like that moment before  
She's an assassin,  
She's melting steel in my heart  
But I beg for more.  
She said: I want your body,  
She said: I want your soul  
She said: A fallen angel takes it but she'll never let go  
She's an invader --  
She's from another world  
But I beg for more and more

She's raising feelings cutting like a knife  
She's pouring fire into my liquid life  
There's no escaping from her mysteries,  
She gives me kisses of the strangest kind  
She says: I know you'll like it,  
So come over here  
She says: Just let that rhythm filter  
Through your body, dear  
and then she...  
She always did it and she always will  
She'll stay that hunter  
'till the end of time
