

## Dance with me - 1/1

**Interprété par Alphaville.**

When the heat of light melts into the speeding time  
When the king returns from the ivory city-side  
Let the Magnet-Mages wave the signals, flashing oh so fast  
Then you'll meet me there under the moonshine  
In a lover's heaven, we'll keep our promises at last  
In a lover's heaven we'll forget the past

Do you want to dance with me through one of those lonely nights  
It's more than a dream, maybe we're reaching the gardens of delight  
Do you want to dance with me through one of those lonely nights  
It's more than a dream, maybe we're drowning in Empires Of Delight

In the stardust dawn underneath the crystal roofs  
Where the Solar Boys are playing games they never lose  
Where the sailors are swaying though the lightdomes,  
shining from the skies  
There you'll meet me, darling, anyway  
In a lover's heaven, we'll keep our promises at last  
In a lover's heaven, we'll forget the past

Do you want to dance with me through one of those lonely nights  
It's more than a dream, maybe, we're reaching the gardens of delight  
Do you want to dance with me through one of those lonely nights  
It's more than a dream, maybe we're drowning in Empires Of Delight...
