

## Ain't it strange - 1/1

**Interprété par Alphaville.**

Ain't it strange that we destroy what we embrace  
And we leave what we seek  
It's such a shame  
Ain't it strange that we smile when we cry  
And no one knows why we are here  
And where we're going to  
Ain't it strange

We could be, we could be so good together  
We could be, we could be so good together

Ain't it strange that we share what we hate  
That we break what we love, what we love  
It's such a shame  
Ain't it strange when we pray we betray anyway  
And no one knows what we are for  
Why we're so tough, when we're so fragile  
Ain't it strange

We could be, we could be so good together  
We could be, we could be so good together

Ain't it strange still we could fall into a dream  
I'd wish no one will catch that fall for we could fall for love  
Life is but a dream, life is but a dream  
All the tears in the world not in vain for the pain is gone  
The shame is washed away when we're all one  
Life is but a dream, life is but a dream

It's hard to believe after thousands of years  
The world's still drowning in blood and tears  
We're quite advanced but again we fail  
It is dog eat dog on the rat-race trail  
It is getting too much and we're getting nowhere  
While hatred and fear is all that we share  
I can't take it no more when I'm watching the news  
We must stick together or we're bound to lose  
Stick together or we're bound to lose  
Now listen to this...

We could be, we could be so good together
