

# Lucky love - 1/1

**Interprété par Ace of Base.**

Life is a paradise, oh yeah

Lucky love belongs in teenage heaven I know  
I know 'cause I've been there with you tonight  
Lucky love belongs in teenage heaven I know  
I know 'cause I've been there with you tonight

I believe life could be paradise once again  
And the love we thought we lost is sleeping within  
Close you eyes, it's something for you

Lucky love...  
I'm a prisoner of hope I know

We are young and we are old,  
we're falling like leaves  
And your heart so full of soul  
It makes me believe  
Once again it's something for you

Lucky love...

A bridge over time is what she needs  
to see the light  
To see the light

Lucky love...Lucky love  
Lucky love belongs in teenage heaven  
Lucky love...Lucky love  
Lucky love belongs in teenage heaven,  
oh yeah

Lucky love...  
I'm a prisoner of hope I know
